Happy New Year

Welcome Back

A new year comes new possibilities and opportunities! This Student Support Newsletter is a new initiative meant to maintain open lines of communication between families and staff regarding updates in the Student Support Department. Each month you will be able to find general announcements and tips on how to provide additional support to your students at home. You will also see shout-outs for student's celebrating birthdays throughout the month and a staff spotlight. We are excited to launch our newsletter and hope that you enjoy it!

What is Social Emotional Learning?

Social-emotional learning is the way in which children manage and understand their emotions. This includes how they process empathy and maintain healthy relationships. Social emotional learning in school allows students and teachers to communicate with a common language for deeper connections. SEL has been added to every child's schedule at Ivy Hill Prep to foster healthy life skills.

Resources

NYC Food Delivery Assistance
New York City will deliver Emergency meals to you. Check your eligibility here: https://www.nyc.gov/getFood

For Crisis emergencies please call
NYC WELL at 1-888-692-9355

Specials

Martial Arts: In January we will be learning the side kick, and additional hand and feet combinations. We will also learn basic self-defense techniques. Focus and discipline is an important component of Martial Arts and will continued to be stressed throughout the year. This will contribute to our students continued growth and development**.**

Dance: We are excited to offer additional FREE dance courses to students on a first-come, first-serve basis. Check your email more information and how to sign-up!

Staff Spotlight

Ms. Holdip is our first staff member to receive the Staff Spotlight! She is always fully invested in nurturing the "whole" student and ensuring that learning is joyous! Her ability to get her students invested by keeping them at the center of the work, has inspired all of us. Great work Ms. Holdip!
